CLWR Continues its plea for aid in the aftermath of the Earthquake in Syria The first phase of CLWR's response to the disaster focused on emergency relief and was made possible through your generosity. Now the focus moves on to supporting a mid-term response to help those families who do not have a home to return to, and who have lost their means of income. A gift of just \$35 can provide food, shelter, and basic psycho-social support for a family that has endured such trauma and devastation. Thank you for your continued support and please consider making a gift online at www.clwr.org/earthquake, or by calling CLWR's office at 1-800-661-2597.

The **ELCIC National Office has moved** to a new location. At the end of April, the national offices of the Evangelical Lutheran Church in Canada (ELCIC) and Canadian Lutheran World Relief (CLWR) **will now be 400-185 Carlton Street, Winnipeg, Manitoba, R3C 3H7.** All phone numbers remain the same.
