A Thinker's Tea Party - A lecture series meant to gather community and share conversation at **The Refinery - 609 Dufferin Ave.** Saskatoon.

On **February 28th** the topic is ***Race and Stereotypes: Understanding and addressing stereotypes in Canada with Scott Thompson***. This talk addresses the questions of “what is race?” and “how do we address racial stereotypes?” It starts out by explaining how widely held ideas about “race” are not supported by scientific evidence, and then explains the history behind the term, and the (non-race) reasons why Europeans were able to conquer and colonize the world. Special attention is given to Settler / First Nations relations in Canada, and “Indian” stereotypes.

Please join us for the **World Day of Prayer, Friday March 3rd at 2 PM at Augustana**. The theme for this year's service is "***I Have Heard About Your Faith***" and is written by the women of Taiwan.

Offerings received through the World Day of Prayer transform our prayers into action in the form of project grants empowering women and children in our own country and throughout the world. All regions share in the grants, with consideration given to the greatest need.

Refreshments will be served following the service at 2PM on March 3rd. Everyone is invited and encouraged to attend.
