**Refreshments after church.** We would like to get back to having coffee/tea/juice after the service each week. It’s been a great way to connect with each other and build relationships. In order to do that, we will need some volunteers for set up/clean up. A sign-up sheet will be passed around in the days to come. We encourage everyone to bring their own travel mugs so that we can cut down on the clean up time. If anyone has time, and loves to bake, we would love to fill the freezer with goodies that we can just pull out as needed to make this time of fellowship that much sweeter! Just let me know if you’d like to help out in this way!

**Introducing CLWR’s Bible Studies**, designed to help congregations delve deeper into the challenges leading to injustices around the world, to explore related Bible stories, to discuss how these connect and how God calls us to act together. The first study in the series is now available at [clwr.org/bible-study](http://clwr.org/bible-study). This study will explore the story of Luke 2.41-52, the role education played in Jesus’ life, the challenges faced by many to attain education today and how we can support learning locally, nationally, and globally.
