How much?

The man healed by Jesus in today's gospel reading wanted to stay with Jesus. But Jesus told him to go home and tell how much God had done for him. When your church shares communion, you may hear these words:

Thank the Lord.

Sing God's praise.

Tell everyone what God has done.

Learn these movements, then be ready to do them as everyone sings together!

Do the "Thank the Lord" movements together at home.

This week

Take prayers, songs, and praise to God with you wherever you go.

Telling what God has done

Luke 8:26-39

The man healed by Jesus in today's gospel reading told many people about what God had done for him. What has God done for you? Draw yourself telling about it here.

Where can you tell God's story? It may be a place close to home, a place where you play, or somewhere far away that you visit with your family. Draw that place in the space above Destination.

The illustration shows an open notebook with two pages. The left page features a large empty square for drawing. Below the square are two lines for writing: "Name _____" and "Date _____". The right page also has a large empty square for drawing. Below the square is a line for writing: "Destination: _____". The notebook is decorated with various travel-related icons: a tent, a backpack, a camera, a palm tree, a bicycle, a suitcase, a map, and a pair of binoculars.

*Be with us, God, as we go tell others
what you have done for us. Amen*

Praising with Instruments
