Pouring out God's love

Jesus was filled with God's love. You're filled with God's love, too. Out of love, Jesus changed water into wine. Out of love, how could you help these two?

Thank you, God, for filling me up with your love. Amen

The Wedding

John 2:1-11

Jesus was invited to a wedding. The groom was sad when he ran out of wine for his guests. Jesus asked someone to fill six stone jars with water. Surprise! Jesus turned the water into wine. Now the guests had wine to drink. Jesus surprised the people to teach them about the power of God's love.

In this picture, draw the faces of Jesus' friends who were sad because the wine was gone. Write *No wine!* in the cartoon balloon.

Filling up with God's love

Each time we worship, God fills us up with love until we're overflowing. God wants us to share that love with people around us. Write one of these parts of the worship service inside each level of wine in the jar. In the puddle of over-flowing wine, write one way you can share God's love.
